

Celebrating our first 6 months
of providing care and rescue to orphaned
newborn kittens through loving foster homes,
strategic partnerships, and community
education

2019 Impact Report

18 kittens saved!

8 of them were
under 2 weeks old
when they arrived in
our care

9 shelter partners!

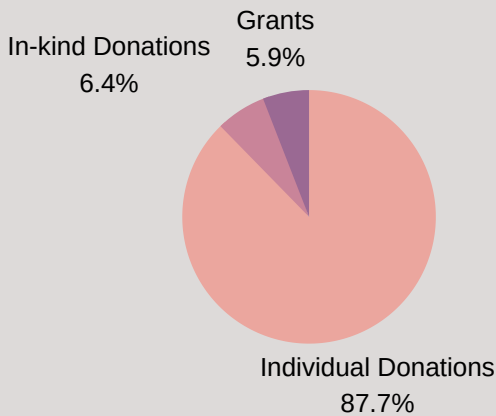

More than half are in under-
resourced communities
where neonates are
most in danger

13 classes taught!

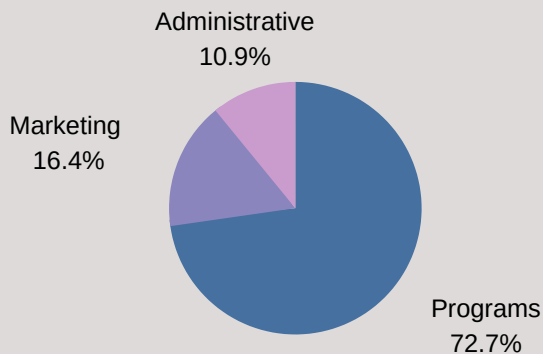

162 attendees learned
how to care for orphaned
newborn kittens

Revenue

In 2019, most of our revenue came from individual donors, with an average gift of \$152.82. We received our IRS determination letter in November, which allowed us to start applying for grants and begin seeking corporate sponsorship opportunities.

Expenses

Esther Neonatal Kitten Alliance was founded in July 2019. In addition to caring for 18 kittens, we focused on developing training curriculums for our fosters and shelter partners, building a base of dedicated supporters, and creating the programs necessary to build big, bright futures for the tiniest kittens.
